Welcome to SeaCare Health Services!

Dear SeaCare Health Services Participant:

This Participant Guide has been prepared to tell you about the SeaCare Health Services program -- its benefits, policies and your responsibilities as a participant. This guide is a basic outline of SeaCare Health Services and is intended as a reference for you.

We look forward to creating a partnership with you as you participate in SeaCare Health Services. For any specific questions, please contact any of the SeaCare Health Services offices.

Sincerely,

SeaCare Health Services Staff

Care Coordination

Your Care Coordinator is: _____

You can always reach any Care Coordinator at the Exeter Office:

(603) 772-8119

Your Care Coordinator will:

- Work directly with you to answer any questions or resolve any problems you may have.
- Provide referrals to many resources available.
- Help you to recognize your strengths and maximize your use of health and support services in the community.

Your Primary Care Provider (PCP)

Your Primary Care Provider is: _____

Your PCP's Phone Number is: _____

- Primary Care Provider (PCP) is another way of saying your doctor
- If you have any medical need, call your PCP for an appointment
- Changing to a different PCP can only be done through a Care Coordinator.
- **For all non-life threatening emergencies, always call your PCP. For calls on nights, weekends and holidays, the doctor's answering service will tell you what to do next.**
- When necessary, your PCP may refer you to specialty care. Please call SeaCare Health Services at 772-8119 for pre-approval for **ALL** specialist appointments.

Program Fees

PCP and Medical Specialist Visits

- Present your SeaCare Health Services card with payment at the front desk of your doctor's office.

Office Visit – General	\$10.00 – Brief \$15.00 – Complex
Office Visit – With Procedure*	Up to \$75.00

- For procedures performed in the provider's office (for example: a biopsy, sigmoidoscopy, mole removal, allergy testing, etc.) you will be asked to pay a reduced rate, no more than \$75.00, per procedure.

Other Medical Access Services*

- **Mental Health** **\$10.00 per visit, limit of 8 visits**
- **Yoga** **\$15.00 per month, 6 visits a month**
- **Chiropractor** **\$10.00 registration / \$10.00 per x-ray / \$10.00 per adjustment / \$10.00 per workshop**
- **Nutritionist** **\$10.00 per appointment (average of 3 visits)**
- **Holistic Care** **\$10.00 / \$15.00 per visit**

*The above services are available through placement by a Care Coordinator

You are responsible for all medical bills you receive

- Please don't ignore your bills or allow them to go to collections
- If you believe you have been billed in error, please contact a Care Coordinator at our Exeter Office immediately
- Your Care Coordinator will work with you to address your billing needs

Using Medical Services

Using Your SeaCare Card

- Your SeaCare Card is good for one year from the date of your enrollment.
- One month before your card expires you will receive a recertification form in the mail
- Please complete the form, return it to us with proof of income and we will mail you a new card after re-qualifying you for the program.

Primary Care Physician (PCP)

- Call to establish yourself with your assigned doctor as soon as possible.
- Use your PCP for all your healthcare needs and to obtain a referral for specialized care.
- Please contact your PCP office directly to arrange for any visits
- Changing to a different PCP can only be done through a Care Coordinator; self reassignments will not be accepted by the program.

Specialist Visits

If you need to see a specialist, please take the following steps:

1. First always call or visit your PCP about the problem
2. Receive a referral from your PCP to the necessary specialist
3. Call SeaCare Health Services to get the specialist visit approved

NOTE: You must always call SeaCare Health Services for an approval of Specialty Visits in order for the visit to be covered by this program.

Emergencies

- The Emergency Room is for life threatening illness only
- Call your PCP for non-life threatening illness
- On nights, weekends and holidays your PCP will have an answering service that will direct you where to call.

Canceling an Appointment

For all provider appointments: If you are unable to keep an appointment, you must give the provider's office at least 24 hours notice. If an emergency makes you unable to follow this, give as much advanced notice as possible.
